PHOENIX LANDMARK

Building Spaces That Feel Like Home

At Phoenix Landmark, the focus is on creating thoughtfully planned spaces that bring together the essentials of comfortable and fulfilling living. With Aaranya Karjat, Phoenix Landmark presents a premium residential plotted development designed around the idea of living closer to nature without giving up the convenience of the connectivity and planned infrastructure.

The development reflects a considered approach to plotted living, combining spacious plots with wide internal roads, landscaped surroundings, essential utilities, gated access and security.

—

OUR APPROACH

Thoughtful Planning
Every aspect of the development is planned to create an organised and comfortable residential environment.

Nature-Centric Living
Green surroundings, landscaped gardens and tree-lined avenues bring the natural character of Karjat into everyday living.

Connected Destinations
Strategic accessibility keeps residents connected to important transportation routes and nearby urban centres.

Secure Communities
A gated environment with 24×7 security creates a sense of comfort and belonging.

Spaces With Purpose
From a second home to a weekend retreat, the development is designed to accommodate different aspirations of modern homeowners.

—

OUR PHILOSOPHY

We believe a home is more than a structure. It is the environment, the surroundings, the memories and the lifestyle built around it.

INTRODUCING

AARANYA KARJAT

A Landmark Address in the Heart of Karjat

Aaranya Karjat is a premium residential plotted development created for people who want to experience a more spacious, peaceful and nature-oriented way of living. Set against the serene landscape of Karjat, the project brings together premium residential plots, planned infrastructure and convenient connectivity in one thoughtfully designed community.

With plot sizes starting from 2,500 sq. ft. onwards, Aaranya Karjat gives homeowners the freedom to envision and create a space that reflects their lifestyle.

Aaranya Karjat is designed to be more than a plot of land, it is an opportunity to create your own destination for living, relaxing and making memories.
