Phase 1 Plot Layout

Actual Project Images

Grand entrance that ensures great welcomes.

Hadashi lake facing project.

Individual wall-net compound.

40 feet internal roads & street lights.

A row of potted plants on a stone terrace overlooking a lake and mountains. The plants are in terracotta pots and are arranged in a line. In the background, there is a calm lake with a small boat, and distant mountains under a clear sky. The foreground shows the stone tiles of the terrace.

Your Gateway To Your Timeless Bliss...

Immerse yourself in the gentle ripples of the Hadashi lake, as our project Tikona Shrushti unfolds across a sprawling canvas of natural beauty. Each plot is meticulously designed to maximize the breathtaking vistas, promising not just a home but a daily retreat.

This project is a gateway to an idyllic life. Picture your evenings filled with the symphony of nature, as the sun sets over the shimmering waters, casting a warm glow on your lakeside haven. Elevate your lifestyle at the intersection of luxury and tranquility, where the possibilities are as vast as the horizon before you...
